**Subject:** For review by Friday, November 17: Final draft pre-publication version of CEC chemicals migration report  
**Attachments:** QA\_289\_PFAAs in consumer products\_v6\_r3 without appendix\_US comments.docx

Dear all,

Please see the attached final draft of the CEC chemicals migration report, which is undergoing QA review. The final report will be published on the CEC website.

I am sending the version without the appendix, as the full version of the report is rather large (10MB). If you would like to review the appendix, please let me know and I will send it to you.

**If you have any comments, please send them to me by next Friday, November 17.**

Thank you,  
Laura
